

What's In It For You

Donation values of \$500-\$999 will also be acknowledged on our Facebook page.

Donation values of \$1000-1500 will also be acknowledged verbally at concerts.

Donation values more than \$1500 will also have an image (logo, business card) in programs.

Building Community One Note at a Time

Marysville
COMMUNITY BAND

Volunteer musicians of all ages and abilities who come together for the joy of making music.

Marysville Community Band

Marysville Community Band is a 501(c)(3) organization of volunteer musicians of all ages and abilities. We perform several times a year at community events and regular concerts.

We don't charge admission to concerts; we believe music is a right, not a privilege. We don't charge dues from youth members; we believe there should be no barrier to youth participation.

Like every other arts organization, MCB was seriously impacted by the COVID-19 pandemic, but we are reviving ourselves with a new brand and a lot of optimism for the future.

Our mission is to build community in Marysville through making music, but adult membership dues and concert donation jars are not enough. We rely on the support of generous sponsors.

With your help, we can replenish lost music, purchase much-needed instruments, promote ourselves, and meet everyday expenses.

Thank you for supporting local artists.
